

Eliminate the need to weld with Eagle SureConnect

Eagle SureConnect is a patent pending connector and polyurethane belting system that is made to length simply by twisting the threaded connector into the matching belt.

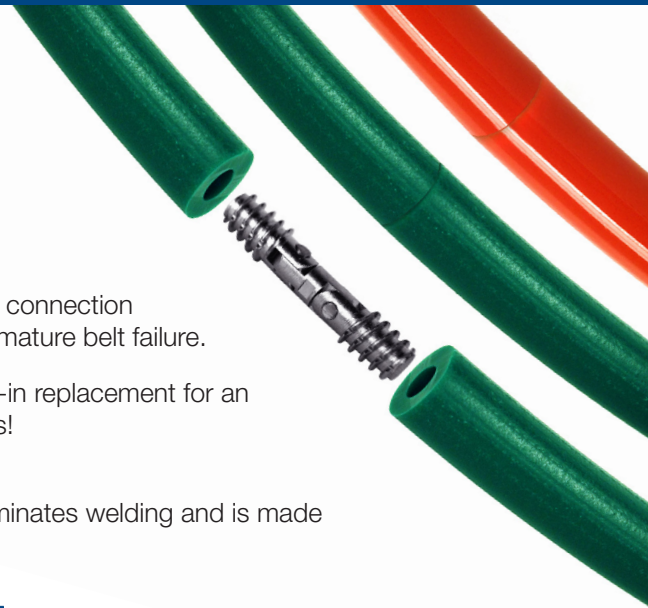

Performance you can count on

Unlike welding, Eagle SureConnect provides a strong, consistent, SURE connection every time. No need to worry about improper welds that can lead to premature belt failure.

Best of all, the performance of Eagle SureConnect allows it to be a drop-in replacement for an equivalent welded belt, making it perfect for most conveying applications!

Simple Installation – Every Time

Welding requires training and practice to master. Eagle SureConnect eliminates welding and is made endless in minutes. How much time can you save?

# of belts	Estimated Install Time (minutes)*		Estimated Time Savings
	Welded Belt	Eagle SureConnect	
1	37	3	34 min (92%)
2	44	6	38 min (86%)
3	51	9	42 min (82%)
4	58	12	46 min (79%)
5	65	15	50 min (77%)
6	72	18	54 min (75%)
7	79	21	58 min (73%)
8	86	24	62 min (72%)
9	93	27	66 min (71%)
10	100	30	70 min (70%)

* Typical Install Times: Welded Belt: Setup/Joining = 4 min, Holding = 3 min, Cooling = 30 min
Eagle SureConnect: Setup/Joining = 3 min, Holding and Cooling = 0 min

Note: All times are typical averages and are for illustration purposes only

Suitable for most conveying applications including:

- Floor Tile
- Roofing Tile
- Corrugated
- Packaging
- And more!

Product Selection		Size	Part Number*
	Green 89 (Textured) SureConnect Belting	10mm	4934141
		12mm	4934142
		15mm	4934143
		18mm	4934144
	Orange 89 (Smooth) SureConnect Belting	3/8"	4934145
		1/2"	4934146
		9/16"	4934147
	SureConnect Connectors (5/pk and 1 flat wrench)	3/8" / 10mm	4935031
		1/2" / 12mm	4935032
		9/16" / 15mm	4935033
		3/4" / 18mm	4935034

* Belting package includes 100'/30.5m belting with 5/pk connectors and 1 flat wrench
